Tras varias décadas creando un estilo de vida, Pomd'or sigue apostando por colecciones de accesorios y complementos de baño exclusivos y delicados.

El compromiso es seguir creando piezas únicas a través de un cuidado proceso de elaboración donde cada pieza transmite pasión por el detalle y obsesión por la calidad. Pomd'or consigue así emocionar y convertirse en una auténtica experiencia.

Ello se refleja en la autenticidad de Kubic, una colección que perdura en el tiempo y que se amplía con dos nuevas propuestas: Kubic Cool, que concentra la esencia de la colección pero con un aire más actual y versátil; y Kubic Class, piezas bellas y elegantes que consolidan el carácter más neoclásico.

*After several decades creating a lifestyle, Pom d'Or is still committed to its collections of exclusive and delicate bathroom accessories and fittings.*

*Our pledge is to continue creating unique pieces through a meticulous production process where every piece conveys a passion for detail and obsession for quality, enabling Pom d'Or to create excitement and emerge as an authentic experience.*

*This is reflected in the authenticity of Kubic, a collection that will last over time and that has been enhanced by two new projects: Kubic Cool, which concentrates the essence of the collection but with a more contemporary and versatile expression, and Kubic Class; beautiful and elegant pieces that consolidate its most neoclassical character.*
