Imperial - making history!

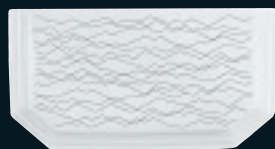

A milestone in the production of uniquely elegant bathrooms for the most discerning customers. A rare opportunity to express your individuality, high sense of design and unique style. Imperial Limited Edition represents, quite literally, the art of the timeless bathroom ceramicware.

Each of the stunning contemporary designs shown on the pages that follow is limited to just 200 pieces worldwide. Strictly limited production is testimony to its rarity and exclusivity.

Every piece is hand crafted and identified with a special platinum Limited Edition logo and will come with its own numbered certificate of authenticity – your reassurance that you have indeed chosen an individual piece of ceramic history.

We may even be able to design and create bespoke Limited Edition pieces based on your own individual idea. To discuss this possibility please contact us on 0870 60 61 62 3.

Limited Edition by Imperial. The very ultimate in personal expression, uniqueness and style.
