I tradizionali spazi abitativi si trasformano con la semplice applicazione a parete di un pannello: elemento architettonico e sorgente di luce. Il buio sottrae spazialità la luce crea linee emozionali.

The traditional living spaces are transformed with the simple installation of a paneled wall: architectural element and source of light. Darkness consumed space, light creates emotional lines.

Die traditionellen Wohnflächen verwandeln sich mit dem einfachen Montage eines Brettes an der Wand: architektonisches Element und Lichtquelle. Das Dunkel entreisst Räumlichkeit, das Licht erzeugt emotionelle Linien.

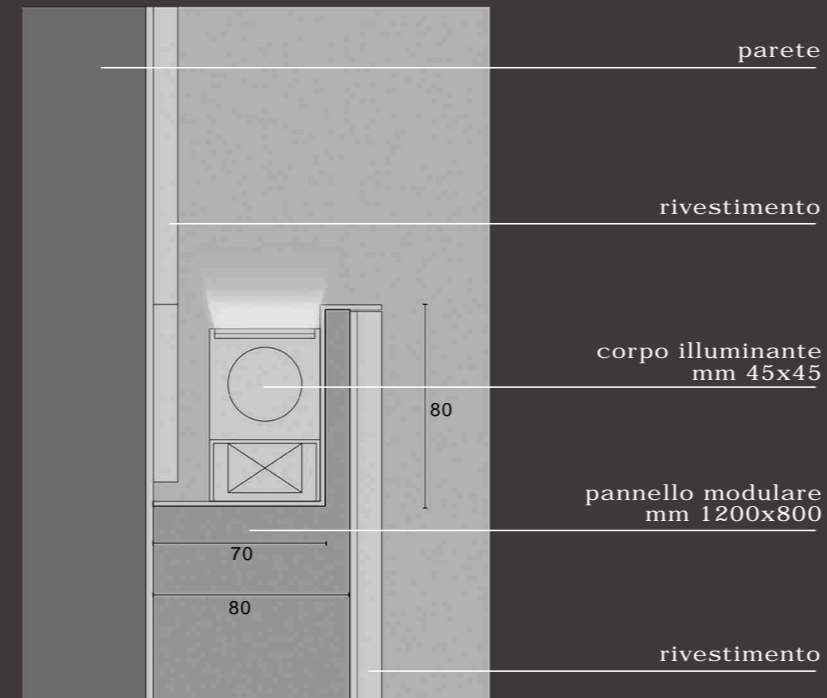

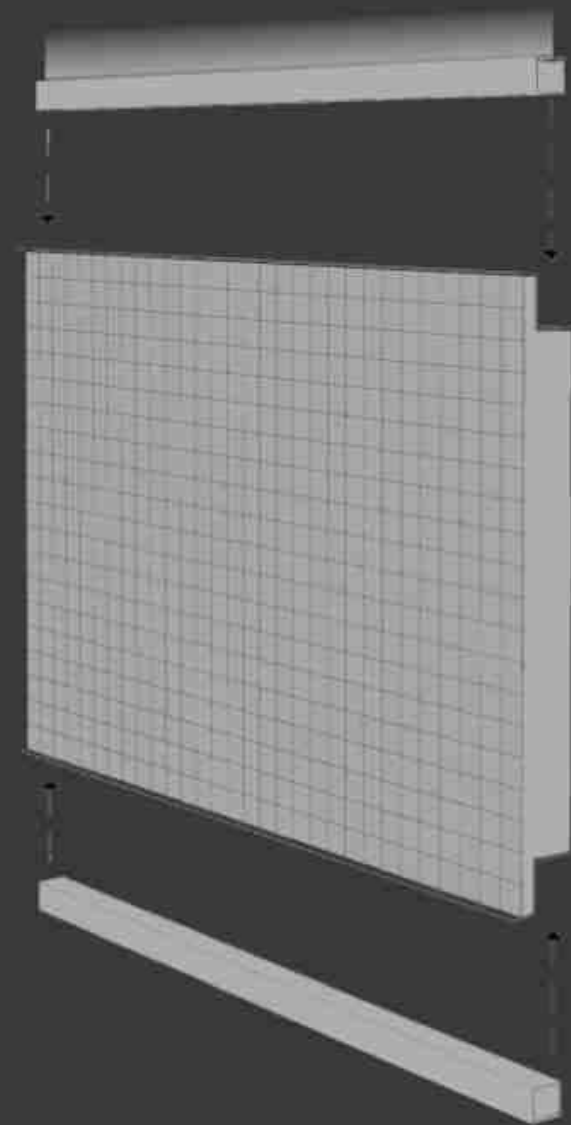

Les intérieurs traditionnels se transforment par la simple application au mur d'un panneau: élément architectonique et source de lumière. L'obscurité supprime la spatialité, la lumière crée des lignes émotionnelles.
